FLIR Thermal Imagers

Sonatest VEO Phased Array

Portable XRF Analyzers

ACFM AMIGO Kit

Borescopes

Equotip Hardness Testers

MPI Yokes

# RUSSELL'S DESKTOP

Dear Customers

This has been an amazing year for all of us here at RFS. Amazingly good, but this is a result of the hard work of my splendidly keen and helpful team. No matter how busy it gets they just keep rising to the occasion. We are now 11 strong.

This year, Dave and I have done a lot of travelling. Warren went to Melbourne to do the Melbourne University Level 1 Thermography Course. Stephen joined with Bruker at the Aust. Foundry Institute Conference in Queenstown, NZ. With Trade Shows, Sales Meetings, Conferences and ACFM Training Courses there have been times when I have been away as much as at home.

We have added to our sales team Stephen and Margaret, Norman our accountant and Alan in stores to work with Robert.

2012 is already filling with travel and shows and road trips based around some new and exciting technology we will be offering in the New Year.

Thank you for your continued support. We are working hard to offer good quality, prompt responses, stock in hand and good value. Enjoy your Christmas.

If we can be of assistance please call us at any time.

Regards

Russell and Eileen Fraser

Wegahita, 5

Akero, 11

Jerry, 15

Nikiema, 11

Victor, 16

RFS sponsors children located in Uganda, Burkina Faso, Kenya and Tanzania through Compassion Australia. Some of our staff also sponsor children. If you'd like to sponsor a child through Compassion Australia, **please click here for more information.**
